2. 2.7.2008 Heard.

The two petitioners in the two petitions are accused of abducting Vikky Kumar the son of the informant.

The learned Sessions Judge has detailed the materials collected in the case diary and that contains the statement of one Shiv Singh who was also present at the time of the occurrence and from it the FIR get support.

The defence of many sorts have been set up but after going through the rejection order and the FIR, I find no merits in the two petitions. Petitions are dismissed.
